

WHYY's information and freelance rates:

The Pulse, WHYY's weekly podcast and radio show heard on more than 130 NPR member stations, tells stories about the people and places at the heart of health and science. The show takes listeners to unexpected corners of the health and science world with award-winning host Maiken Scott. The Pulse goes behind the doors of operating rooms, into the lab with some of the world's foremost scientists, and back in time to explore life-changing innovations. The Pulse delivers stories in ways that matter to you, and answers questions you never knew you had.

The Pulse is interested in audio pitches that tell stories of illness and healing, discovery and wonder, uncover breakthroughs in science or medical mysteries, ask big, weird, wonderful questions, or connect science to everyday life.

Freelance rates:

The Pulse pays \$125 per final produced minute of audio content. Our typical freelance stories range between 4 - 12 minutes.
